

# H SERIES

Led Warning Bars  
Lightweight design, used bracket can  
be installation for more occasions  
ITEM: 040201 040202 040203

HT4-4

HT4-8

- Meets and exceeds SAE and E-MARK standards
- High intensity 3W LEDs
- Rugged, water resistant LED modules
- Integrated traffic direction feature
- With 30 flash patterns
- DC 12-24V
